ALMA MATER

To Vikings bold we give our love,
Our dreams, our tributes true.
Through life's full course
Our hearts will move
To bring you honor too.
So hail to thee, O noble school;
Stand firm and strong and right;
And may we ever look to thee
For strength, love, and purity.

Key Club Sweetheart — Chrissy Collier

The Key Club is a non-profit community service oriented club. Working close with the local Kiwanis Club, we are involved each year in several projects that are designed to help us serve both school and community. In the Fall, the Key Club helps set up for the football games and takes up money for the JV games. We also help with boys and girls basketball concessions. Other major projects occur at Christmastime. The first of these is helping the Kiwanis sell Christmas trees. The other, is helping put together and deliver food baskets to the needy, alongside the Kiwanis. Key Club members appreciate the support given to them by their sponsors: Mr. Taylor, Mr. Potter, Mrs. Sturgill, and the Kiwanis Club.

Recipient of Bob Hodson — FAC Scholarship — Laurie Davidson

The Fellowship of Christian Athletes is an organization available for all students at Powell Valley High School.

The objective of the club is to discuss the pressure and problems that students face daily and to stress the knowing of Jesus Christ, which we feel can help the students cope with these problems.

Through a Christian viewpoint, the club has several speakers to address the everyday problems we face.

The high point of the year includes some well-known coach or athlete to address the community at the club's annual rally.

The foundation of our club is to know Jesus in our daily walk.

1992 MARDI GRAS — Left to Right: Masako Kohama, Alvin Robinette, Stephanie Regnauld.

The French Club is for those students who are taking or have taken French. Dues are two dollars, except for honorary members, who have completed at least three years of the language.

The purpose of the club is to increase the language proficiency and to provide as many cultural experiences as possible.

This year was an exceptionally full one for club members. We had our annual French-Spanish Volleyball Tournament, the French-Spanish Banquet, Mardi-Gras and a trip to Quebec!

One of the highlights was Mardi-Gras, a costume ball. About 140 students attended, including French students from J. J. Kelly and some PVMS eighth graders. There were many games and prizes, folk and modern dancing, lots of food, including the traditional King Cake, judging of costumes and a huge confetti fight at the end. Alvin Robinette, dressed as King Louis XIV, was crowned King; Melanie Horner, as the Statue of Liberty, was Queen; and Hugh Scott, as a Tahitian girl, was Fool. All decorations were in the traditional Mardi Gras Colors: gold, purple, green.

The other highlight was the trip to Quebec during Spring Break. Twenty-three students from Powell Valley and 16 students from J. J. Kelly visited all the sites of Quebec City and Montreal. Students made a lot of new friends, used their French, and ate in many French Canadian restaurants.

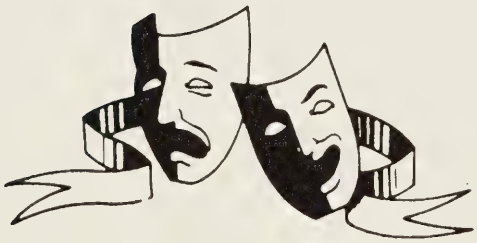
Poetry is a little mysterious, and so are we.



Hw are poems made? My instinctive nser is a flat "I don't know." . . . The ru is that there is a little mystery here, nmo one is more conscious of it than he oet himself." by Amy Lowell

There was a moment of total, impersonal panic, and then Finny's hand shot out and grabbed my arm, and with my balance restored, the panic immediately disappeared. I turned back toward the river, moved a few more steps along the limb, sprang far out and fell into the deep water. Finny also made a good jump, and the Super Suicide Society of the Summer Session was officially established. Exerpt from *A Separate Peace,* by John Knowles

PACE is a program of academic competition for students in the high schools of Wise County and the City of Norton. Those who participate study in-depth fields such as literature, history, math, science, geography, vocabulary, and current events. After much preparation, their knowledge, quickness, and ability to react under pressure are tested in competitions held each Monday in the fall. These competitions ultimately produce a season and tournament winner.

# FORENSICS TEAM

The Forensics Team of Powell Valley High won the first place trophy at the Lonesome Pine District Forensics Meet held at Appalachia High School February 22, 1992.

At the Region D Forensics Meet, held at Clinch Valley College in Wise, Virginia on March 7, 1992, five Powell Valley students earned honors.

At the State Forensics Meet, held March 28, 1992, in Charlottesville, Virginia, Powell Valley won the second place trophy in Group A competition.

The Forensics Team also entered the district one-act play competition with an original play, "Bridge to Paradise." The play, written by a group of students, won second place honors at both district and regional competition, going on to state competition in Charlottesville.

Sponors are Joan Short and Grace Bradshaw.

## Looking Back

### An Editor's View

Looking back, I see many happy and sad times. As I watch my little brother, who is a 3rd grader at Powell Valley Primary, many things come back. I wonder, did we do "stuff" like that? Could we have been that stupid?

I realize that (I, we), have done those things or something similar and just as stupid and immature. Things like "you've got such and such germs" and then we made like we had a bottle of disinfectant and sprayed ourselves with it. Or when friends would get mad at each other they would go, "I've get all my friends and we'll beat you up", "We'll I've got more friends than you and my friends can beat all your friends up."

As I near graduation I am happy that I am finishing and sad that I am leaving behind my friends. Leaving brings back the memories I hope I never forget. After graduation I may never see some of you again but I hope that we keep in touch. Good by and good luck, thanks for being my friends. I love all of you.

A lone cap sways lazily in the summer wind,
A fragrant reminder of a long, hard goal finally achieved.
The tassel sways with a jealous touch as a leaf rolls lazily by.
The halls are hollow and empty now,
No more chatter,
No more shriveled love affairs,
No more of the childhood protection behind a wooden desk.
Sparrows dance on the windowsill,
Singing a high-pitched chirp of warning.
The chalkboards remain empty,
They have served their purpose for the time being,
There is no more to be learned for the small graduation cap.
A hairy black spider tiptoes across a filled bookcase,
Leaving a trail of dust in the memory of a book.
The cap remains still
The empty school dominating the fabric and creating memories in the
flashing shadow.
An adult hand now reaches for the hat,
Childhood days gone to the wild memories of the graduate.
The diploma will rest on the shelf;
Dust, lint, and cobwebs gathering there silently.
The memories and spirit of the past long gone rest in the heart of a happy soul,
But dwell in the haunting ghost in the frozen diploma.
